#CHURCH TOGETHER

As June opens, we continue to be church together in a time when we cannot gather freely. The ALC Council leadership and your church staff aim to navigate these unfamiliar waters faithfully, trusting God to guide us “safe to shore”. Being out on rough waters teaches you new skills! We are all learning to be church in new ways. Here are some things we can say for sure:

1. We miss the physical presence of our brothers and sisters in Christ of all ages in the gathered space.
2. We lament the real loss, isolation and disruption experienced in this time.
3. Online worship is worship! We hope you will continue to tune in. We will continue to record our worship services and provide Facebook devotions through June and for the foreseeable future, knowing that our hearts continue to be tied together in faith. We believe that God is with us.
4. You all are amazing!! You are caring for each other in more ways than we know. Remain in prayer, attentive to scripture, and loving your neighbor through acts of caring and kindness in all the ways in which you are led. Continue to be creative!! And thank you for your financial support of our ministry.
5. COVID – 19 is a serious disease and public health threat. We are committed to loving our neighbors, especially the most vulnerable.

Moving forward:

We will continue to follow the directives of the MN Dept of health, and local authorities while taking into consideration the recommendations coming from the Southwest MN Synod, the Evangelical Lutheran Church in America and other sources. A “Reopening Team” has been put in place to review these directives and prepare a way forward for our congregation.

Our building currently remains locked although ministry continues. If you need to stop by the church, our safety plan asks that you do the following.

Maintain 6 feet between people not from the same household.

Persons at a higher risk are strongly encouraged not to participate in gathering at this time. This includes persons over 65 and those with underlying health conditions such as heart or lung disease or diabetes.

If you are sick, please stay home.

Wear a facemask at your own discretion.

We know that COVID 19 is spread by aerosols or droplets in the air containing the virus. Gatherings of large groups in enclosed spaces is not advised. Outdoor gatherings are better. We will be looking at possibilities once we can gather in groups of more than 10.

Sadly, singing together is one of the riskiest behaviors. Its hard to imagine worship without singing! When we begin to gather, we will look largely to recorded music and keyboard instruments to lead our worship, until the time when we can all resume singing safely.

I am grateful for all the ways that God is providing for us during this time, and for the ways that you are providing for each other. Please remember those who have so much less than we do to confront illness and difficulty throughout the world, especially our partners of the Ondini Circuit in South Africa. Don’t hesitate to be in touch with staff or Council leadership with any question or concerns. Stay well and keep the faith!

Pastor Sarah

Pastor's Message

We know love by this, that he laid down his life for us—and we ought to lay down our lives for one another. How does God's love abide in anyone who has the world's goods and sees a brother or sister in need and yet refuses help?

-1 John 3:16-17

I am blessed to serve this congregation for a couple of reasons.

First off, do you realize how many congregations are on the verge of collapse because of this pandemic? Yet we're making ends meet because you're still acting out of faith and sacrificing to God despite the unknown future.

Secondly, when the quarantine hit my biggest fear was people losing jobs, homes, and businesses. I continue to fear for those who live paycheck to paycheck and are unable to work and can't pay their mortgages and I worry about their families. I'm really grateful that ALC started a Covid-19 Fund to assist people who are behind on payments for mortgages, utilities, and/or small business loans. This fund was to get its money mainly from those who would donate their stimulus checks if they didn't need them to survive (mainly, for those still earning their income). Once again ALC was stepping out in faith despite an unknown future.

When this fund was initiated I worriedly thought, "We'll have more people asking for money than money to help with!" It turns out that one week before the deadline we were sitting fine and able to help a group of individuals in need in our community.

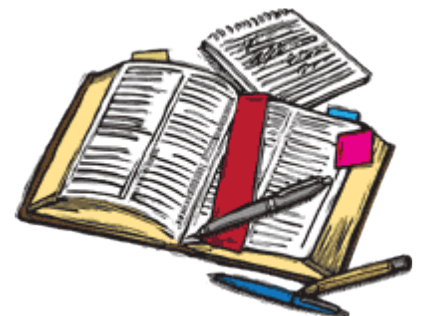

On the application it asks the total bill and how much of it a person is asking to be paid (some asked for less than what they owed) and I'm happy to report that there is enough for everyone to be paid the full amount of what they need and we will still have a couple bucks left over in which the committee decided to continue to take more applications and donations and push the deadline back to June 18th because of the need for financial assistance during this pandemic. We also realize that some people have not received their stimulus check to even have had the opportunity to donate it. If you are in need of assistance or know of anyone that needs assistance please fill out the Covid 19 Assistance application on our ALC Website and return it to the church. Thank you ALC members!

The requests that we received went to pay for past rent, paying small business building payments, mortgage payments, and medical bills and all the recipients had jobs in which they could not work during this time because of the quarantine.

I am simply impressed by you all. You could have spent this government money on vacations, new cell phones, a down payment on a car, and a million other unneeded things but you spent it on your sisters and brothers in Christ along with people who aren't even members who may not even have a relationship with Jesus in order to lift them up as they suffered from problems that they could not and cannot control nor do anything about. I also think about how powerfully what you have done is evangelism to our community and how it speaks volumes about what serving Christ with everything we have truly looks like.

I am blessed to be in this body of Christ that truly loves their sisters and brothers not just by their words, but also by their actions of stepping out in faith and trusting God with what you have despite of an unknown future.

Pastor Adam

Worship & Music Notes

from Jane Cartwright, Worship & Music Coordinator (831- 5032)

Greetings!

This time of year finds many transitions. School students look forward to summer activities, families schedule trips to campgrounds or beaches, and graduates prepare to explore life changing education and employment opportunities. The church also transitions into a new season. We leave the white paraments of the Easter season after seven weeks. Pentecost, the birthday of the church, was celebrated on May 31st with the use of the red paraments. June begins with Holy Trinity Sunday; connecting the Father, Son, and Holy Spirit as one, with white paraments once again. Beginning June 14th, the church transitions into The Season After Pentecost with the use of the green paraments. This time of growth will last until the end of October, Reformation Sunday.

Don't miss worship this summer as we explore the book of Job June 7th to July 5th. How will Job react to all his trials and tribulations? What will happen to his faith? Where is God during all his suffering?

June 7:	Job 1:1-22	What is Faith?
June 14	Job 3:1-10; 4:1-9, 7:11-21	How Does Job Respond to Suffering?
June 21	Job 14:7-15, 19:23-27	Bad Things Happen to Good People
June 28	Job 31:35-37; 38:1-11 [25-27]	God is Always with Us
July 5	Job 41:1-8; 42:1-17	A Life Rebuilt Through Mercy and Compassion

Worship services at church continue to transition during the Coronavirus pandemic. We continue to follow CDC guidelines regarding worship opportunities. Opportunities are available for those willing to volunteer musical selections, reading scripture, or participating in dramatic readings. Please contact me or the church office for more information. Worship services are available on the church website (alcofwindom.com) or Facebook on Sunday mornings during the summer months. An audio version of the worship service is available on KDOM radio 103.1 FM Sunday mornings at 10:30 AM.

Highlighted Events in June:

June 7: National Cancer Survivor Day
June 21: Father's Day
June 28: Creation Sunday

Christian Education & Youth News:

Greetings ALC family!

Hard to believe it is June already! We would have been busy with Vacation Bible School this week but instead we are doing more preparing to have an EVEN BETTER VBS in August! I have still been working on a hopeful short mission trip to Minneapolis at the end of July! Otherwise, there has been a lot of cleaning and organizing going on in BAM rooms and the Resource room and in the Youth room!

We have all summer to prep ourselves for another great year starting in September! Please continue to watch the services online. There are still Children's sermons in them and also look at the Children's Ministry Tab on the website for resources for families and kids.

I will be working on some things for us to do this summer as well, just waiting to see when social distancing is not required anymore.

I will still be having Zoom meetings with youth until we can meet in person!

God's peace to you as we continue to get through this!

Melanie Shamp

Christian Education/Youth and Family Coordinator

Christian Ed Events:

VBS is planned for Sunday, August 2nd- Thursday August 6th. It will be in the evening. Time TBD, but most likely 5:30-7:30. If you would like to volunteer to be a Crew Leader, Helper (for 7th-12th grade), or a Station Leader, please contact Melanie! It is a ton of fun and very rewarding! More information to come in the July messenger regarding time and registration.

Other events: Please stay tuned for other events that will be happening if things start opening up!

Youth Events:

Stay tuned to the Remind app for future Jr. League and Sr. League Zoom dates.

HEY YOUTH! People in your congregation may need your help! Our congregation President, Nancy Michalski, is taking phone calls from people who are looking for someone to do yard

work, go to the store, or other things they may need help with! Please let Melanie know if you would like to help out members in your congregation by doing some yard work or maybe even window washing. We will leave the store trips to adults. □

Short Mission trip to Minneapolis: This would be for grades 6th-12th, limited to 10 people, right now. If the number of people allowed to be in a group goes up, we will allow more to go.

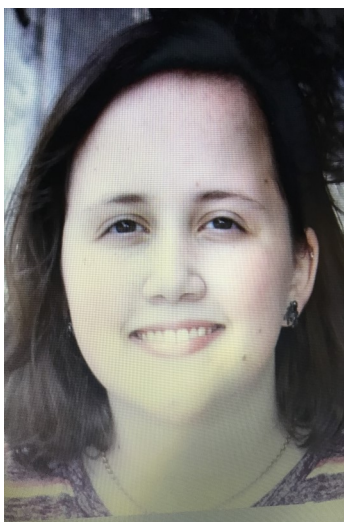

Melanie has been talking to Urban Ventures in Minneapolis about doing some volunteering at one of their farms where they grow vegetables and fruits. These are then used at their soup kitchens. We would go at the end of July. We can do a weekday or weekend. Please let Melanie know if this is something your child would be interested in or even if you would allow them to go. Once we get there, social distancing is enforced. (Only if restrictions are lifted and the Church starts to open up and hold events. We will keep you posted.)

Shetek Lutheran Ministries Where Christ Renews and Empowers

Shetek is postponing the first 3 weeks of camp – June 7-26. We were waiting for guidelines from the American Camp Association (ACA) and the CDC, which were supposed to be out by the end of April but are not out yet. In light of the delay, we postponed those first weeks until we know more about the recommendations for opening safely.

We will work with the CDC guidelines, the ACA recommendations, MN Dept. of Health and our local public health officials as we evaluate the summer and any onsite programs.

In the meantime, watch for other ways to connect with camp – our 10:05am devotions on Facebook, Mon-Fri and other special events online.

Help send kids to Camp...Become a Pelican Club or Timber Society member today. Pelican Club members support the ministry with a gift of \$100 - \$499 a year and Timber Society members give \$500 or more a year. Thanks for your support!

Mark your Calendar 2020

1. Watch for an announcement soon about Shetek's Camp Store coming online. We will be offering many products for sale on our website. Check it out and be sure to get your piece of camp even if you can't come to camp today!
2. Watch for announcements about our Golf Tournament, our Pelican 5K Fun Run/Walk and the Quilt Auction. We'll be doing them different this year.

One of the songs we sing at camp (Cast Your Burdens) is from 1 Peter 5:7, "Cast all your anxiety on him because he cares for you." We know God cares for us and we can be grateful for this!

During this time, we are thankful for donations from supporters when we don't have any retreat or program income. If you are able to help out, we really appreciate it!

Our "Building on the Foundation" capital campaign is on hold for now. So far, we've raised just over \$1,000,000 in gifts/pledges towards our \$1,500,000 goal! We'll be continuing the campaign efforts later this year when it is more feasible and safe to do so.
